

KÄRCHER

makes a difference

MAXIMUM CLEANING VERSATILITY AND DURABILITY.

Electric, cold water pressure washer that converts from cart to skid.

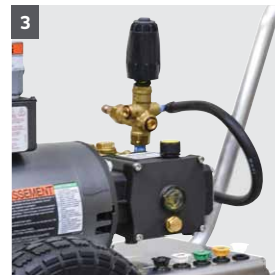

PROFESSIONAL | HD SERIES ELECTRIC

HD Series Electric

Designed for versatility.

Kärcher's cold water carts are corrosion-resistant aluminum pressure washers that easily convert from a cart to a skid for maximum cleaning versatility and durability. These reliable electric powered pressure washers have a low profile handle and compact footprint, making them easy to maneuver, and they offer a bypass loop for additional pump protection. 7-year pump warranty and flat-free tires.

1 Modular design

- Can transition from cart to skid (with skid feet accessory) design for versatile cold water cleaning applications.

2 Mobile and easy maintenance

- Low profile handle is easy to push and pull.
- Easy-to-understand illustrated operating instructions for multi-lingual operator and owner protection.
- Insulated, fatigue-free, spring-loaded trigger gun with side-grip spray wand makes for easy point-and-shoot cleaning action.
- Five quick-couple nozzles made of hardened stainless steel and color-coded for easy selection of spray pattern: 15o, 25o, 40o and detergent.

3 Durable

- Commercial duty Leuco crankcase pump with a 7-year pump warranty.
- Durable VRT3 unloader with bypass loop diverts water flow when trigger gun is not activated.
- Flat free tires are puncture proof.
- Weld-free, corrosion resistant aluminum frame.

Technical data and equipment.
