HELPFUL - HUMBLE - HONEST - HEART DRIVEN

## A MESSAGE FROM OUR NEW CHIEF OPERATIONS OFFICER, KYLE PIPES:

Hi, I'm Kyle, and this is my crew!

A few things to help you get to know me:

- I'm an avid cook and a frequent but mediocre golfer
- I'm a big sports fan, especially the Knicks, Yankees & Syracuse!
- My favorite restaurant in Syracuse is Riley's
- You'll hear me listening to all varieties of music
- I am the pastor of Grace Community Church in Fayetteville, NY

I'm excited to join the Haun team because I believe it's built differently! I have heard consistently that many of you are here because you feel like a person and not a number at Haun. I love this! As a consultant, I have had the chance to see inside many different organizations, and I can attest that Haun is unique. The Haun family genuinely desires to serve the customer, us, and the community. The values of helpful, humble, honest, and heart-driven are not just words on a wall but reflect the genuine core of our culture.

Like all good values, we don't ever fully arrive at or live them perfectly. We must continue to strive, encourage, and challenge ourselves and one another to live them out. That's one of the areas I'm hoping to help with. Be on the lookout for a weekly video that reminds us how to live our values together.

I'm excited to be here and look forward to meeting you as I am out and about in your location!
