HELPFUL - HUMBLE - HONEST - HEART DRIVEN

After 38 years, we bid farewell to our Safety Director, Steve Rake, who has officially retired.

Steve joined the company in 1985 and quickly rose through the ranks, becoming an invaluable resource for our team. His commitment to creating a safe working environment has not only protected countless employees but has also fostered a culture of safety that will endure long beyond his tenure.

As we celebrate Steve's career, we thank him for his dedication and wish him all the best in this new chapter of life. While he will be greatly missed, his legacy will continue to inspire our commitment to safety.

Enjoy your retirement, Steve! You've earned it!
